

DESIGNED FOR SIZE - BUILT FOR SPEED

COMPLETE MANUAL TREADMILL - ZERO ELECTRICITY REQUIRED

Favored among many professional sports teams and training centers the Patented Curve XL treadmill features all the innovations and benefits of the standard Curve in an extra-large platform for the larger/lengthier athlete.

With no motor or speed controls the Curve XL is great for small group and HIIT training making it easy for users to accelerate and decelerate quickly as well as get on and off the treadmill without slowing down.
