

CLMBR XL

REACH FOR GREATNESS

Engineered for elite performance spaces and taller athletes, the CLMBR XL takes vertical climbing to new heights—literally. Purpose-built for users over 6’4”, it ensures a safe, comfortable, and efficient climbing experience without compromising form. As the taller, enhanced version of the standard CLMBR, the XL is crafted to meet the rigorous demands of professional athletes and high-performance environments, making it the ultimate solution for elite vertical climbing.
